Based on the international best-selling children's book series, *Pinkalicious & Peterrific* follows the adventures of Pinkalicious and her little brother Peter as they encourage young children to think and express themselves creatively.

Pinkalicious imagines creative possibilities everywhere she looks. She is an artist at heart—and, like most creative people, she sees the world differently from others. She knows what she likes, and she's not afraid to express herself—though she sometimes needs help from her logic-minded brother, Peter, and their many friends in the diverse community of Pinkville—including Jasmine, Rafael, and Lila. But things aren't perfect in Pinkville and in every episode Pinkalicious and Peter face challenges that require them to think differently and to collaborate with their friends to find solutions, such as how to throw a Halloween fiesta when the town has no electricity. Featuring the vibrant artwork of author and illustrator Victorian Kann, *Pinkalicious & Peterrific* is designed to help preschool-age children engage in the creative arts and self-expression, covering the areas of music, dance and visual arts.
