From the premiere of his groundbreaking series *African American Lives* (2006) through the first season of *Finding Your Roots* (2012), noted Harvard scholar Henry Louis Gates, Jr. has been helping people discover long-lost relatives hidden for generations within the branches of their family trees. In each hour-long episode, Professor Gates focuses on the specific ethnic roots, cultural traditions and deep interplay of family influence and genetics of three guests to uncover the secrets and surprises of their family trees and shares the life-altering discoveries that are found.
