Barack Obama and Mitt Romney have crafted their campaign narratives, telling you who they are, what they've done, and how they would lead America. But there's more to their stories than what they've said and done on the campaign trail.

Acclaimed FRONTLINE producer Michael Kirk (*Money, Power and Wall Street; Top Secret America*) presents *The Choice 2012*, a two-hour documentary journey into the places, people, and decisive moments that made the men who are competing for the presidency of the United States. Hundreds of hours of research and dozens of original interviews reveal new details and fresh insights about the two candidates—and the choice Americans will make in voting booths this November.
