After a lifetime in the kitchen, Jacques Pépin brings you his final series, *Jacques Pépin Heart & Soul*, with more than 100 recipes demonstrating his impeccable technique.

His most personal program yet, it showcases the warmth, wit and mastery of a culinary icon as he cracks a bottle of wine (or two) and shares the greatest hits from his storied career.

From classic French dishes to creative new menus that vie to be his crowning glory, it's a grand finale you won't want to miss!

Reminisce with Jacques about cooking for French President Charles DeGaulle while he demonstrates how to recreate stately fare like *Eggs en Cocotte with Morel* and *Shrimp and Veal Chops Dijonnaise*, or join him as he toasts longtime co-conspirator Julia Child with nostalgic favorites like *Hamburger Royale* and *Oyster Chowder*.

Long-time fans will enjoy his inventive, sophisticated menus while the busy modern cook will appreciate budget-friendly ingredients and time-saving techniques, not to mention Jacques' longstanding dedication to nose-to-tail recipes that reduce waste.

Jacques' passion, humor and culinary skills are at their best as he shares memories and wisdom from more than half a century in the kitchen. Join him as he revisits his most popular dishes and bares his heart and soul in this series, dedicated to a lifetime in the kitchen.
