Based on the popular children’s books by Marc Brown, *Arthur* chronicles the adventures of Arthur—an eight-year-old aardvark—through engaging, emotional stories that explore issues faced by real kids. In television’s longest-running children’s animated series, join Arthur and his friends and family as they address important topics including standing up to bullies, being a good sport regardless if you win or lose, learning how to get along with a sibling, tackling stage fright, and much more!

Whether it’s showing the importance of honesty, addressing how to deal with a crisis, or modeling positive sibling relationships, Arthur tackles each story with empathy and humor. This series fosters an interest in reading, writing, and encouraging positive social skills.
