Follow the adventures of a feisty and resourceful 10-year-old Alaskan Native girl named Molly Mabray! Molly helps her mom and dad run the Denali Trading Post, a general store, bunkhouse, and transport hub in the fictional village of Qyah, Alaska. Each episode follows Molly, her dog Suki, and her friends Tooy and Trini on their daily adventures in Alaska, from building snow forts to delivering a camera to friends on a volcano via dog sled!

In each episode, Molly's life and adventures are broadened by using and creating a variety of informational texts, including books, online resources, field guides, historical archives, indigenous knowledge from elders, maps, charts, posters, photos, and more. Molly also shares the information that she gathers through a vlog, offering short-form videos in which she shares aspects of her life in Alaska with kids in the lower 48 states and around the world. Children will love watching this action-adventure comedy.
