Mister Rogers’ Neighborhood

For more than 30 years, Mister Rogers created a relationship with millions of children—each of whom felt like they were visiting a trusted friend. Filled with real-life guests, interesting field trips and charming make-believe segments, each episode of Mister Rogers’ Neighborhood encourages children to explore the world around them and discover something new!

Peep just hatched! Now he’s out to explore the world with his friends Chirp and Quack—to discover shadows, investigate mysterious tracks and learn about gravity the hard way!

Buster travels with his father, a pilot for a group of musicians, and visits with children in each exciting new location to learn about their family’s lives and culture.

Fred is a house cat who dreams of exploring the outdoors. When his family leaves for the day, he transforms into Nature Cat, “backyard explorer extraordinaire!” There’s just one problem: he’s still a house cat with no instincts for nature!

The series stars Martha, a beloved family dog. She is accidentally fed alphabet soup—giving her the power of speech and the chance to speak her mind to anyone that will listen.
